

Finding Company Information			
Resource Type	Databases	Description	Notes and Comments
News	Factiva	Produced by the publisher of The Wall Street Journal. Provides access to the full text of thousands of popular business and general publications, including the Wall Street Journal.	Searches may default to last 3 months. If you need to go farther back, change the drop-down menu.
	LexisNexis Academic	A full text resource offers hundreds of business and general interest magazines and newspapers. Excellent source for company, industry and product information. Updated daily.	
Articles & Reports	Business Source Complete	Provides nearly 3,800 scholarly business journals, including full text for more than 1,100 peer-reviewed business publications.	
	Marketline	Provides profiles of 10,000 companies in 50 countries in the industries of Automotive & Logistics, Consumer Markets, Energy & Utilities, Financial Services, Healthcare and Technology sectors.	Use Marketline to access data previously found in Datamonitor.
Financial Information	S&P Capital IQ	An intuitive and comprehensive resource for those interested in financial analysis of publicly traded firms. International in scope. Fixed income, industry coverage, news, peer analysis, earnings forecasts, people and private company information is also available. This resource is widely used in the business community.	To request an account or if you have questions, contact Ron Allen . Please provide your status (e.g. 2nd year BSBA, faculty, etc).
	Bloomberg	Major resource for all business areas including equities, fixed income, currencies, etc. International in scope. Includes news on companies, industry reports, analyst reports, forecasts, graphs and more. Introductory session provided at least once each semester. Exams for Bloomberg certificate can be taken in several areas. Tutorials available from any Bloomberg terminal.	Remote access NOT available for Bloomberg.
	Thomson One	Contains corporate filings (annual reports, 10-Ks, proxies, prospectuses and more) as well as 10-year downloadable financial data for virtually all public companies traded on U.S. exchanges and many companies traded on foreign exchanges.	Consensus forecasts are available from this site.
	ValueLine	This includes on-line access to publications covering stocks, mutual funds, options and convertible securities as well as special situation stocks.	
	Investext Plus	Includes investment, company and industry reports from over 500 brokers.	Access through Thomson One.
Directories	Hoover's Online Business Network	Contains in-depth company information including profiles, financials, Officers, products, competitors and more.	Our subscription does not include all reports.
	Sorkins	Company profiles and Business lists including multiple levels of executives and managers from all industries and professions throughout the Chicago, St. Louis, and Kansas City regions.
