Hurrah! All Wars are Over.

Countries in trouble upon them will call. Hurrah! All Wars are Over, And Peace we've rightly won, As God long since declared: "Peace on Earth, good will to man!" Forever now is ended Man's bitterness and strife, Instead is sweetly blended The Harmony of Life.

Beautiful Song Ballad

"There's A Mother Lone"

Dedicated to the American Mother

Chorus
There's a Mother lone in Ireland,
Who is getting gray and old;
In her heart two stars are shining;
Those stars were always gold,
That heart to-day is bleeding,
The death-news was the lance,
That dyed those stars more golden
For her boys who fell in France.
