RAGTIME THAT IS DIFFERENT.

MAPLE LEAF RAG.

"Maple Leaf Rag" marks an era in music composition. It has throttled and silenced those who opposed syncopations. It is played by the culture of all nations and is welcomed in the drawing rooms and boudoirs of good taste. No pianist can do without Maple Leaf.

SUNFLOWER SLOW DRAG.

"Sunflower Slow Drag." This is Joplin's favorite, and there are many who think it superior to the world famous Maple Leaf. It was written during Joplin's courtship and is intensely sentimental. It positively beggars description. You will like it the first time you hear it, and you will like it better when you hear it 100 times or more. Don't overlook it in your order. It is GREAT.

THE CASCADES.

"The Cascades." The latest and one of the greatest of the Joplin rags. Hear it, and you can fairly feel the earth wave under your feet. It is as high-class as Chopin and is creating a great sensation among musicians. Don't neglect it in making up your order.
