July 21, 1942

Mr. Charles A. Rovetta
Acting Director, International House
Chicago

Dear Sir:

I beg to reply to your favor of July 22, 1942. It is the policy of the institution that Japanese students when born in this country or naturalized have the same rights as other Americans, provided that the Federal Government approves of their residence at the institution selected. I am not sure that it is desirable that a large number should attend this University, but we have no objection to accepting a reasonable number of registrations of Japanese coming under the category signified.

Yours very truly,

Chancellor.
