I. 3. John Trimmer Journal.,

This group of material consists of letters Lee Anderson wrote to his friend John Trimmer during the period 1963-1969. Anderson considered these letters to be a sort of journal. They consist primarily of compilations of Anderson's daily activities, thoughts, observations, etc. Anderson would periodically send these journal letters to John Trimmer for the latter's comments. Anderson had used Trimmer as a reader of his work in progress for a number of years. This group of material is distinct from Anderson's general journals and notebooks in Series IV, as well as from the general Trimmer correspondence in Series I.1. As noted, the material spans the years 1963-1969 and totals approximately 90 items. It is arranged chronologically.
